HEAD SANTA (pro)

Rudolph the rat arsed reindeer
Had a very shitty arse
And if you ever saw it
You could even see the farts
All of the other reindeer
Used to laugh and call him names
They wouldn't let poor Rudolph
Join in any reindeer games

Rat Arsed Rudolph

Then one boggy Christmas Eve
Santa came to say
"Rudolph with your arse so tight,
Won't you ride the elves tonight?"
Then all the reindeers loved him
And they shouted out with glee
"Rudolph the rat arsed reindeer
You'll go down in history [repeat]"

Santa Claus walks on water
Tra la la la, la la la
If he doesn't then he oughta
Santa walks on water
Tra la la la, la la la
Bells are ringing, dogs are singing
Tra la la la, la la la – Ho Ho Ho

HEAD SANTA (pro)

**THE
SANTA CLAUS
PUB CRAWL
MANCHESTER**

Jingle bells, jingle bells, jingle all the way
Oh what fun it is to ride in a one horse open sleigh
Dashing through the snow, in a one horse open sleigh
Over the fields we go, laughing all the way
Bells on bob tails ring, making spirits bright
Oh what fun it is to ride and sing a sleighing song tonight
HEY!!!

Merry Christmas

We wish you a merry Christmas
We wish you a merry Christmas
We wish you a merry Christmas
And a happy New Year.

Glad tidings we bring
To you and your kin;
Glad tidings for Christmas
And a happy New Year!

[chorus]
We want some figgy pudding
We want some figgy pudding
We want some figgy pudding
Please bring it right here!

[chorus]
We won't go until we get some
We won't go until we get some
We won't go until we get some
So bring it out here!

[chorus]
We wish you a merry Christmas
We wish you a merry Christmas
We wish you a merry Christmas
And a happy New Year!

Santa Pub Crawl

Santa Pub Crawl is Coming to Town
You better watch out,
You better not cry
You better not shout, I'm telling you why
The Santa Crawl is coming to town
He's making a list and checking it twice
He's trying to find out who's naughty and nice
The Santa Crawl is coming to town
He knows when you've been sleeping
He knows when you're awake
He knows when you've been bad or good
So be good for goodness sake
On the weather outside is frightful,
But the fire is so delightful,
And since we've no place to go,
Let It Snow! Let It Snow! Let It Snow!
It doesn't show signs of stopping,
And I've bought some corn for popping,
The lights are turned way down low,
Let It Snow! Let It Snow! Let It Snow!
When we finally kiss goodnight,
How I'll hate going out in the storm!
But if you'll really hold me tight,
All the way home I'll be warm.

Santa Code of Ethics

No Swearing in front of children

Santa does not swear as this would set a bad example to all the young ones around the world. Ho-Ho-Ho is acceptable, but P**s off d**k head is not. The only exception is if your beard or hat is pulled, you are then well within your right to use the second phrase.

Santa is always on time

Santa always has the presents delivered around the world on time. Don't keep the other Santas waiting by having an extra beer - when the siren goes let's move and spread the cheer!

Santa loves a drink

How do you think you are to ensure your nose and cheeks stay rosy and red.

Santa is not a nudist

You must wear your Santa suit whilst on the pub crawl. There are two exceptions; the Santa pants down race, or if you meet the right Miss or Mr Santa then you are welcome to remove your fleecy robes, in private!

Santa does not fight

If any Santa is harassed then a loud Ho Ho Ho or Hey Hey Hey is all that is required, no physical violence is necessary. The naughty and nice rule applies and Santa does not need to bust his/her gut for these disbelieving sods. They will get their comeuppance when they open their Christmas presents.

Other rules may apply at some of the pubs
